Edinburgh Itineraries

If you have **24 hours**, **48 hours** or a **long weekend** planned in Scotland's capital then we've got plenty of ideas to help you make the most of your visit.
And should you fancy sampling **the luxurious side of Edinburgh** during your stay, then we've catered for that too.

Each itinerary is interactive and the numbered icons match up to the expandable map at the top of each page, with each and every attraction, venue and sight precisely located.

Find out suggestions for spending time in **young Edinburgh** and also for **families spending time in Edinburgh**.

Finally why not follow our specialist film itinerares, either the **One Day film itinerary** or the **New Town** or **Old Town tour** ?

Over the coming weeks and months, we'll also be adding a whole host of additional tailored itineraries, as well as walks, bike trails, themed tours and much more and you can find them all on the collapsible menu on the right, or listed below.
